Subject : Invitation for Businessman from Thailand to Participate In The Halal Expo
Indonesia 2023

Your Excellency Ambassador Prapan Disyatat
The Ambassador of Kingdom of Thailand to Indonesia
Jl. Dr Ide Anak Agung Gde Agung Kav. 3.3 (Lot 8.8), Kawasan Mega Kuningan
Jakarta Selatan, DKI Jakarta, 12950

Dear Ambassador,

I am writing to you to introduce our organization and upcoming program that we will hold in October this year, so called Halal Expo Indonesia.

KPMI (Indonesian Muslim Entrepreneur Community/Association), is a non-profit organization with the main mission of being an incubation place for Indonesian Muslim businessmen (mostly SMEs) to learn how to develop their business properly so that they can take a role in advancing the Indonesian economy and helping improve the welfare of the Indonesian people. Please find attached our organization's profile to provide you with detailed information about KPMI.

The focus of our program in the past few years has been to develop the Islamic economy and finance as well as the halal industry which has increasingly become a concern and lifestyle for the consumers around the world.

Last year, in 26 – 28 August 2022, we successfully held the largest business-to-business halal exhibition in Indonesia called Muslim Life Trade 2022 at Ice BSD Tangerang. The success of this event cannot be separated from the support from embassies of Indonesia's nine (9) neighboring countries in Jakarta who have participated as exhibitors, buyers, speakers at conferences and seminars as well as investors who wish to invest in sharia industry and finance in Indonesia.

As you may acknowledge, Indonesia as a country with the largest Muslim population in the world needs a supply of halal products and services to meet the lifestyle needs of the Muslim community in a sustainable manner. In response to this, KPMI with the support of PT Halal Expo Indonesia will bring back the Exhibition under the name of Halal Expo Indonesia (HEI) 2023. This event is a business-to-business exhibition, workshop, and business-matchmaking that focuses on halal products and services.

HEI 2023 consists of an international pavilion representing entrepreneurs from the OIC (Organization of Islamic States) members along with the non-OIC members and local Indonesia exporters which aimed to elevate the Indonesia halal industry to the global market while strengthen greater international cooperation among them.

With this letter, we respectfully request Your Excellency Ambassador to support this Event by inviting entrepreneurs from Thailand to participate as Buyers, Investors and Exhibitors. Halal Expo Indonesia, will be held on:

Date : 25 – 28 October 2023
Location : Convention Hall, Hall 3, 3A, ICE BSD City – Indonesia
Industry Sector Coverage : Commodities, Islamic Finance Banking, Food & Beverages, Business
